

## **Chorley Ramblers Walk Programme from 27<sup>th</sup> Oct 2020**

**Due to the strict requirement of Contact Tracing only Rambler Members can currently attend walks. Members are asked to bring their membership cards.**

The Chorley Ramblers must be in line with the Government and NHS Guidelines

There's been no change to the Ramblers Associations guidance since 30 July. Walk Leaders can choose the number of people they have on their walks - as long as it's up to a maximum of 30 in England.

**No car share offered.**

Ramblers joining the walk must now register their details Name & Mobile/Email at the start of the walk .

Social distancing of two metres must be observed.

Walkers are encouraged to carry hand sanitizer.

The walk leaders will keep the walk register of members at the walk so if anybody starts to reported covid-19 symptoms then they can be notified and asked to isolate. People who are vulnerable or caring for vulnerable people should consider the situation.

To submit walks please use the format below and send to:
